

Damage and Liability Clause

TheTutor Learning Center provides every student with a safe, well-equipped learning environment. To keep resources available for all, we ask families to partner with us in caring for school property.

If a student damages or loses school materials (such as books, technology, furniture, or equipment), parents/guardians may be billed for the cost of repair or replacement. We understand that accidents happen, and we will always communicate with families before charges are applied.

This policy ensures that every child has access to the tools they need while keeping our tuition costs steady for all families.

I, the undersigned parent or legal guardian, understand and agree to the following:

1. I accept full financial responsibility for any property damage caused by my child, whether intentional or accidental.
2. This includes but is not limited to:
 - Classroom furniture and fixtures
 - Educational materials and supplies
 - Technology (computers, printers, etc.)
 - Building structure (windows, doors, walls, flooring)
3. I agree to pay the full cost for repair or replacement of damaged items after written notification from the administration.
4. I understand that failure to make restitution may result in suspension or removal from services.
5. This agreement is in effect for the entire academic year and must be signed prior to the start of services.
